

Creation Elementary School is a private Christian school and a ministry of Christ Lutheran Vail. It is financially dependent solely upon the tuitions and donations provided by our parents and partners in educational ministry. Attendance at the school comes with a yearly tuition cost requirement. Full tuition for the 2020/2021 school year is \$5500 per student.

Creation School partners with school tuition organizations (STOs) and private donors to provide support for families that need assistance. Creation School also offers scholarships and discounts in special cases on the discretion of the Director.

We strongly suggest that ALL families consider allocating Arizona tax credit dollars to support Christian education at Creation School and encourage family and friends to do so as well. A donation to an Arizona STO allows donors to receive a dollar-for-dollar tax credit while funding scholarships for children who could not usually afford to attend a private school. Individuals with an Arizona state tax liability can redirect a portion or all of their state tax liability to an STO.

Creation School is partnered with these Arizona School Tuition Organizations. Families may apply to all three organizations to maximize funding.

2. **School Choice** <https://schoolchoicearizona.org/>
3. **IBE** <https://www.ibescholarships.org/>

Active military, foster families, children with special needs, and other family considerations may instead qualify to receive funding from **Empower (ESA)** <https://www.azed.gov/esa/>

Intention to Pay:

I understand that I am responsible for meeting the tuition requirement.

I understand that the Arizona School Tuition Organizations may not fully pay for the entire amount of tuition and I will be responsible for paying the remainder of the cost.
